THE DIRECTOR'S BOX

'The Directors' Box'... Bob feels you need to know the following....February 2024

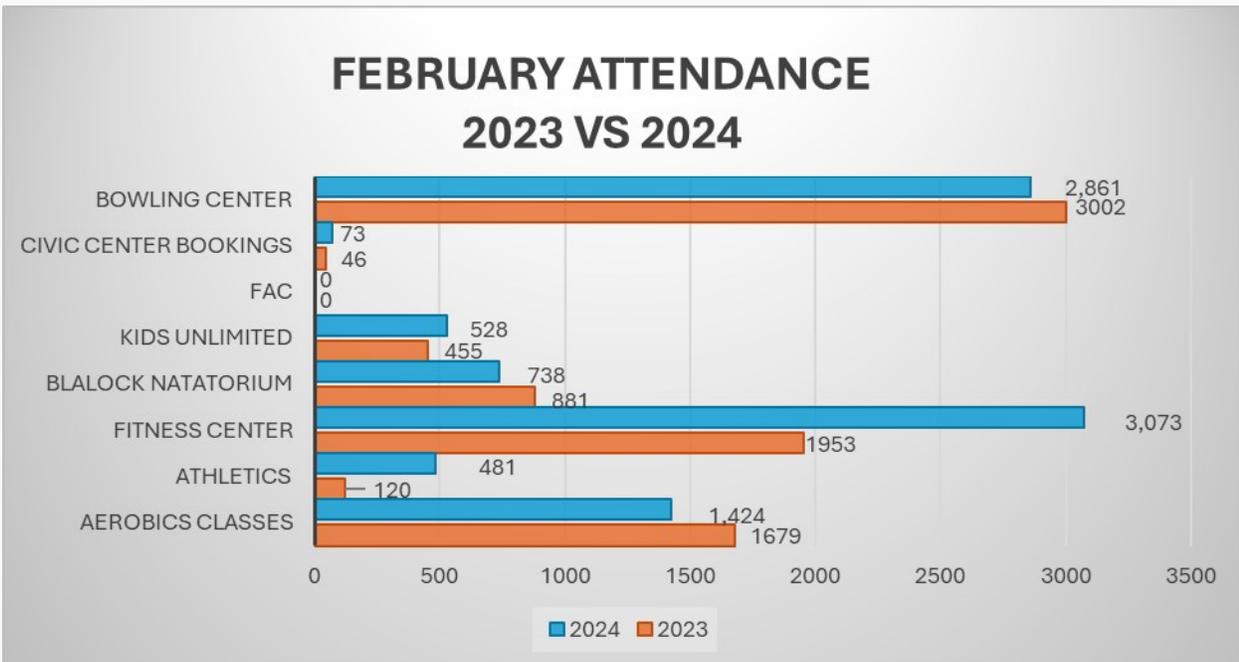

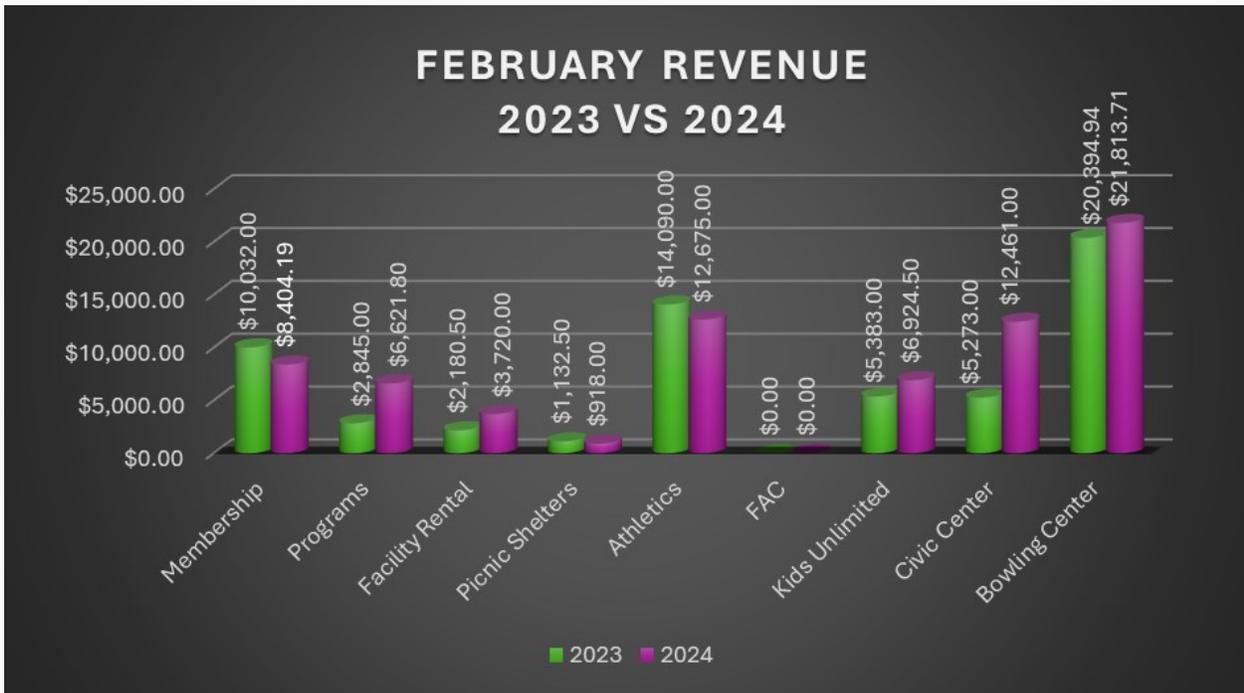

Ups for the month of February 2024 -

- ♦ ***Bowling Center Modernization:*** Brunswick Bowling made a visit to our Bowling Center as planning has begun for the new equipment install in the summer of '24. Our goal is to have this work done by the High School Bowling Season. Brunswick tells us that it will take about 30 days for this install.
- ♦ ***Community Center Update:*** The substantial completion date for the Community Center got pushed back this month. My best guess at this point is that we might open the expanded Community Center late in April.....Below are some pictures of the new Lobby and the Hallway leading towards the new Fitness Center.
